

Redefining possibilities with powerful performance and groundbreaking on-device AI

IdeaPad series laptops are high-performance convertibles for professionals who prioritize form, function, and style. With robust computing power and the option of solid-state or hard-disk drives, they deliver responsive performance when working with digital files.

Ideapad Duet 3 Chromebook (11",7)

Whether for work or play, it's a perfect mobile companion for content creators, gamers, or on-the-move professionals. Equipped with the Qualcomm Snapdragon Processor, it's designed to handle everyday workload effectively. Watch videos or attend calls with excellent clarity even in low light conditions, thanks to its superior 2k display with up to 400 nits brightness and 70.8% NTSC color gamut. And with the touch display and an optional pen, take notes or attend calls with ease.

Remove the detachable keyboard and convert the versatile Chromebook into a tablet while outdoors; attach the keyboard and convert it into a laptop again for writing or taking notes, without any hassle. Bluetooth 5.1 and Wi-Fi 5 ensure uninterrupted connectivity.

Experience brilliant audiovisuals during online calls with the 5MP front-facing camera and 8MP rear-facing webcam, with dual-array mics, wake-on-voice feature, and Google Assistant.

This Chromebook with a 10.95" display, just 0.31" thin fits into a tiny workspace and makes it easier to carry it around and work from wherever your work takes you.

Lenovo Services

Lenovo delivers tailored sustainability services, devices, and infrastructure solutions from our broad portfolio, working closely with you to support your target outcomes across the IT lifecycle..

Accessories

Lenovo 65W USB-C GaN Adapter

- Powered by Gallium Nitride (GaN), this charger is up to 55% smaller, 60% lighter, 30% more power-efficient, and allows you to charge USB-C devices faster than ever.
- With a 1.8 m cable and adjustable output voltages (5V/9V/12V/15V/20V), you'll always have power when you need it.
- With PD 3.0 certification, it supports the fast charging of USB-C devices up to 65W.
